8:30am - 2:30pm
Where: Legacy Path
Between Krauss Hall and Andrews Outdoor Theatre

The Mobile Veterans Center is a wheel-chair accessible, fully equipped mobile unit that includes a private meeting room, educational materials, and free, confidential counseling. The services are provided by trained VA Readjustment Counselors who have first-hand knowledge of the issues faced by returning veterans and their loved ones. Services include individual, couples, and family therapy aimed at helping to address the social, economic, and/or trauma-related needs of combat veterans and their families. There is also a wealth of information about benefits, entitlements, and services.

All are welcome. You do not have to be a veteran to speak to the counselors or pick up informational materials. The more we, as a campus community know, the better equipped we are to respond to a friend or family member who may need our support.
