The Department of Mathematics Presents...

An Afternoon of Beautiful Mathematics for Girls
Diversity and Equity Initiative at the University of Hawai‘i

December 7, 2008
1:00 - 5:00 p.m.
Campus Campus Ballroom
University of Hawai‘i at Manoa

Girls in elementary and middle school, along with the families, will be treated to some short expository talks about beautiful and exciting mathematics. They will then have the opportunity to explore mathematical ideas more deeply at the mentor-run discovery stations.
